

TRANSPORT PACKAGING SOLUTIONS

## Dunnage Bags

Securing your cargo

- Prevent transport damage
- Clever loading
- Quick and easy to fit
- Reusable and recyclable
- Up to today's standards

**Sustainable packaging is your contribution to the environment**

A cushion that protects cargo from shocks and the danger of collapsing during road, rail and sea transportation. An end to heavy, bulky wood that needs to be treated for pests and an end to other hard dunnage that is difficult to fit!

## A VARIETY OF SIZES AND STRENGTHS AVAILABLE. ASK US!

- constructed of multiple layers of high-strength Kraft paper and an inner plastic lining that protects against loss of air pressure
- the fast filling valve can be used several times, allowing for multiple use of the bag
- easy to use and adapt to different sizes of space
- a quick, convenient and cost-effective way to secure your cargo

**Eltete Dunnage Bags will avoid any collapsing of the cargo.**
