

TRANSPORT PACKAGING SOLUTIONS

The Frame

FramePack® for standard pallets

- 100% carton board
- Excellent stacking strength
- Simple assembly
- Accepted anywhere in the world without treatment or restrictions

Sustainable packaging is your contribution to the environment

Eltete Packaging Profiles are specially produced and carefully tested to withstand the highest compression and strapping strength needed for this kind of packaging.

Perfect for warehousing and for transport packaging

Keep it simple, all you need is:

- Eltete Packaging Profiles
- Staple gun
- Stretch film or carton board box and strapping
- Corner cushions optional
- Eltete FrameCut profile optional

Packaging Profiles give stacking strength and protection for demanding conditions

FrameCut profiles are strong and high-quality profiles that can be cut to the required length using a special production method.

Eltete Packaging Profiles in combination with:

- Carton pallets
- Wooden pallets
- Plastic pallets
- Other standard pallets

Economical, strong and environmentally acceptable.

Eltete - professionals in transport packaging since 1974.
